Seek Full-Time Deputy Sheriff to Police Orinda

The Civic Affairs Committee at Monday night's meeting, accepted the recommendation of Horace Breed, Ed Miller and Charles Ward, citizen's group investigating law enforcement in the Orinda area, to seek additional assistance from the sheriff's office in patroling the district.

Members feel that population growth and recurrent burglaries of recent years warrants increased protection.

NEED FULL-TIME SHERIFF

The committee advocated that a full-time deputy sheriff be assigned to the area, comprising land within the Orinda Fire District, and that this request be forwarded to the sheriff's office.

The sub-committee report to the Civic Affairs Committee cited the need for a local deputy to be available "at all hours." The report noted that Sheriff James Long has definite responsibilities for pursuing criminal investigations and in "following up" on burglary investigations.

RESIDENTS RESPONSIBILITY

Orinda residents also have their responsibilities in the situation, the report continued, suggesting that residents notify neighbors when leaving their homes for extended periods of time, reporting any burglaries promptly, locking all outside doors and windows when leaving, and taking other precautions which would eliminate "flagging" a prospective burglar's attention to the fact that a house was temporarily unoccupied.

The committee also recommended to Orinda Association Directors that a permanent police protection sub-committee be appointed.

Printed cards are being prepared for distribution to residents, carrying names and numbers of police agencies for ready reference, Mrs. Ernest Spiegl, committee secretary, said.

MORE STREET SIGNS

Recommendation was made to the Association Board of Directors that application be made to the County for further street signs. The County has erected signs in at least one district in Orinda and the Committee suggests that additional signs on roads which have not yet been taken over by the County would be an improvement.

As a partial answer to the Crossroads parking problem action is to be taken requesting the business houses in that area use adjacent alleys for parking and unloading whenever possible. The proposed Lions Club clean-up drive, which the Committee agreed to support, is also expected to help ease the situation.

TRANSPORTATION PROBLEM

The transportation problem brought up by a representative of the Moraga Glorietta district in which difficulty of a number of tract residents in getting buses to Oakland and San Francisco was mentioned, was taken under advisement for further study.

The Orinda Mother's Club need for assistance in putting on the Hobby Show and Exhibit on April 29 and 30 was stressed with the suggestion that the purchase of tickets for the affair would be of help.

Lafayette Voting Swings School Tax Limit Election

In one of the closest school elections in recent years, voters approved the increase in the tax limit for the Acalanes Union High School Tuesday by a mere majority of 53 votes.

Six hundred and three voters turned out to ballot on whether or not the tax limit should be raised to $1.50 for a period of five years. The limit is now $1.20, which expires in June.

This is the final vote:

	Yes	No
Canyon	11	12
Lafayette	149	95
Moraga	1	9
Orinda	60	55
Walnut Creek	107	104
	328	275

Local observers point out that Lafayette swung the election, as it alone had a yes majority of 54. If the voting in Lafayette had been a tie, the no vote would have carried by exactly 1.

Less than ten percent of those eligible cast a ballot.

Drive Approaches Half way Mark

The half-way mark has almost been reached in the area's Red Cross Drive according to R. W. Rinehart, Campaign Chairman. This report is somewhat under expectations, he stated, but bad weather has put the drive behind schedule.

Rinehart predicted that the drive may have to be extended beyond its one-month schedule in order to meet the area's $10,000 goal.

Orinda's drive chairman, Mrs. Robert Bennett, reports that the drive is progressing in her area but expects better results in the closing weeks. Mrs. Bennett advises that Sector 17, Camino Encinas, is now captained by Mrs. Horace Breed instead of Mrs. Louis Bosa as previously announced.

Lafayette's goal of $2,000 is yet to be reachel according to drive chairman, Mrs. B. T. Leonard. Canvassing is now in full swing and Mrs. Leonard feels certain that the public will aid the drive as they have in the past.

Oak Springs Assn. In Red Cross Drive

Carl Miller, president of Oak Springs Home Owners Association, will collect money for Red Cross at the Association's next meeting scheduled for April 5. Red Cross donations may be sent to Miller at any time from residents in Oak Springs.

Mrs. King Wilkin is collecting for Mira Loma and El Patio Road district; Mrs. William Baughman will collect for Via Farallon; Mrs. Harold Martin will collect for Linda Vista and upper part of Mira Loma.

'Jungle Wife' To Be Reviewed

The adventures of a "Jungle Wife," one of the most exciting books of the decade will be described at the next meeting of the Orinda Nursery School Association April 6 at 8 p.m. at the Orinda Community Church.

Mrs. Robert MacNeur will review the book and tell of the life of a professional tiger-hunter and his wife in the heart of the wild Mato Grosso, which is 500 miles upriver from Corumba, the nearest frontier town and 2000 miles inland from Rio.

Over seven years were spent there by this couple and their three children.

All Nursery School Mothers and alumnae are cordially invited.

Sanitary District Directors Meet

At last week's meeting of the Central Contra Costa County Sanitary District, directors revised their action of a previous date by agreeing to charge the Lafayette Grammar School District a rate of $110 per classroom as the units are built, for connecting new school plants in the District to the sewerage system.

The original plan was to set a flat $2400 fee for new school connections but School District Trustees indicated that outright payment of such a sum would not be possible in view of present plans to build the new Montecito School with funds now available.

A delegation from the Alamo-Danville area attended the meeting to get information on possibilities of annexation to the Central Contra Costa Sanitary District. The Board was favorable to the plan but indicated it was a matter for residents of that area to work on.

An area of 2500 acres, with an assessed valuation of more than $3,000,000, is involved in the annexation plan.

A similar proposal for annexation to the District by the Danville-Diablo-Alamo areas in April 1947, was defeated by a heavy negative vote from Alamo opponents. Directors of the present Sanitary District explained to the delegation that an election would be the most practicable method of annexation, but that its success would depend upon approval of voters within the present District.

Neil Cornwall of Lafayette was appointed secretary of the Sanitary District Board at this meeting.

CIVIL SERVICE

The United States Civil Service Commission announced examinations for positions in the Federal service: Radio Engineer, Teacher (Elementary, Secondary, Vocational), and Teacher-Advisor. Information may be obtained at the Post Office.

AMPLE PROOF THAT Orinda's Nursery School is co-operative in every sense of the word are these pictures taken at the recent "workshop meeting." Members gathered one evening to mend books, wax table tops, make sand toys and paint easels and benches. Above left, Mrs. R. E. Bottjer and Mrs. Pat Smith take to the sandpaper before refinishing chairs. Above right, two Lafayette members, Mrs. Robert Dade and Mrs. Robert Pedder, repair the children's books. Right, Mrs. Douglas Garneau and Mrs. William Coleman tackle the paint mixing job. (Photos by Mattson.)

Hillside Slide Comes to Standstill

The sliding Orinda hillside that recently threatened to move the Vallecito Lane home of Mr. and Mrs. George Vurek completely from its foundations seems to have come to a standstill, according to Mrs. Vurek's report.

A combination of direct rainfall, diverted well water and seepage from underground springs so saturated the hillside above the house that the slide started, taking out a 50-foot section of Vallecito Lane in its progress.

William Moore of the San Francisco firm of Danes and Moore, Soil Mechanics Engineers, is preparing a report after making test bores to determine soil and drainage conditions, on measures to prevent recurrence.

Rock and soil from the slide will have to be moved and the drainage conditions remedied. When the sources of water causing the slide are located, it is possible the roadbed will have to be repaired before the Vureks will be able to have their home repaired.

Prima Donnas Aid Children in Clinic

Two of the little children raised their heads, when confronted with the question, "What would you like most of all?" "I'd like a dolly," the curly headed blonde said, and the little colored boy's eyes widened, as he replied, "I'd like a big yellow balloon."

The fourteen members of the Prima Donna Club are very anxious to see that the children at the Richmond Heart Clinic receive their little wants plus other necessities.

For four hours on Saturday at Black's Market in Orinda, seven girls sold delicious home-made candy and cakes in order to raise funds for this cause. They were Patricia Zamloch, Phillis Pile, Joanne Willits, Joan Gordon, Peggy Everest, Sally Fleager and Judy Glaiberman. Thanks to the generosity of the people in Orinda, the girls received a total of $38.

For the past three months, six members of Prima Donna Club have been visiting the patients at the Heart Clinic every Saturday morning. They take the children records, books, clothes, and best of all, a kind smile.

As a reward for their good work, Mrs. Romulus D'Arezzo, a sponsor of the group, invited the members and their boyfriends over to her home for a delicious Italian dinner and dancing on Sunday evening. Elunore Neldam, Robin Hooper, Leatrice Fisher and Paula Cory helped Mrs. D'Arezzo set the table and decorate.

Sleepers Miss Hail Storm

Those Orinda and Lafayette residents lucky enough to be still abed shortly before 8 a.m. Tuseday yawning should sympathize with early leave-takers who were hailed on heartily when a ten minute hailstorm gave Winter its last (we hope) laugh at Spring.

Assorted cloudy conditions, sun, thunder, hail and plain rain gave localities a quickie one-day impression of what the weatherman can shake out of the bag without any reason at all.

Playground Gets Director on Sat.

There will be a playground director at Orinda School every Saturday (unless it rains) from 10 a.m. to 1 p.m. starting tomorrow. Tom Dugger, physical education major at St. Mary's College, will be the director.

This project is sponsored by Mothers Club and will continue for the balance of this school year and all of next year. The program has been set up for all Orinda children, both grade school and high school.

22 Scouts Enjoy Pinecrest Outing

With one slightly sprained ankle and several mild cases of sniffles the only casualties, 22 members of Scout Troop 207 and their accompanying adult leaders, returned Sunday evening from a week-end snow trip to Pinecrest.

Scoutmaster Stanley Hunn was assisted by adult Scouting Committee members Jim Hupp, Joe Estes, Dr. Lloyd Farrar and Bob Nordquist. Lynn Nebeker, newly elected Senior Patrol Leader, also lent his assistance.

Six cars left Orinda Friday to carry the party to the Pinecrest cabin, which they report, had all the conveniences of home, including furnace, fireplace and bunks for all. The leaders took over the cooking chores, while the scouts chipped in on cleaning up, and all possible time was spent outdoors.

Raymond Orr was the ankle sprain victim, there being some slight lack of cooperation between him and his skis. Raymond, with the others, took it all in stride, and next year you will see the same enthusiasm at the idea of a repeat trip.

Zoning of Orinda Goes to Board For Final Check

County Planning Commission Tuesday approved the report on the proposed zoning of Orinda and it will be sent to the Board of Supervisors.

Monday the Supervisors will consider the report, which contains the revisions as requested by Orinda residents. If accepted by the Supervisors, the district attorney and planning office will then prepare the necessary ordinance, according to H. R. Griffith, assistant planning technician.

Andrew Bryne Dies Sunday

Andrew Bryne, 30 Valley View Drive, died Sunday from injuries he received when robbed and severely beaten in Oakland on January 15, according to Mrs. Marjorie Bryne, widow of the deceased.

Bryne was seemingly well on the road to recovery, Mrs. Bryne stated, when he suffered a relapse last Sunday and died from a head injury received during the January 15 beating.

Bryne, who had served as Senior Engineer for the Pacific Telephone and Telegraph Company, was still confined to a wheelchair at the time of his death. His ankle had been fractured in three places by the robbers, Mrs. Bryne said, and the head injury did not manifest itself until the relapse occurred.

Services were held Wednesday at the Chapel of the Flowers in Berkeley.

Hospital Branch Plans Fashion Show

Reservations are pouring in for the annual fashion show and luncheon to be given by the Orinda Branch of Children's Hospital at the Orinda Country Club Tuesday, April 5, according to Mrs. Fred Goodwin, show chairman.

The show is sponsored by a group of local merchants, whose support enables Orinda Branch to give the full amount of every ticket sold to Children's Hospital to be used for children in this area whose parents are unable to pay all the costs of hospital care.

MERCHANTS NAMED

They are The Orinda Roost, Orinda Crossroads, Casa Orinda, Orinda Pharmacy, Orinda Theater, Charles W. Howard, El Nido Rancho, Milt Nelson's Orinda Willows, Bedsworth's Tunnel Inn, Black's Market, Boies and Soule, Orinda Store, Fred Wood, Inc. and Bradley's Market.

Virginia Hammond will show a varied display of lovely clothes for every occasion, including beach and patio wear, basic casuals, street costumes, clothes for "after five," ballerina length jerseys for summer evenings, and full length silk prints for formal wear.

Models will be Mesdames Tom Ray Jr., Stuart Dinwiddie, Don White, L. E. Reark, Lee Scott, Wendell Spackman, Robert Bennett, Frank Dunn, Frank Fee, Stephen Jensen, Franklin Kales, Ritchie Smith, Roger Stark, Deck Week, Lyle York and Barbara McVicker.

SPEEGLE PATTER

Paul Speegle, that's right, the Paul Speegle who used to write that sparkling radio column in the Chronicle, will be master of ceremonies. Music will be supplied by Danny Van Allen's four piece orchestra from the Willows.

Among those who have already reserved tables for the show are mesdames Glenn Mason, F. J. Federighi, H. E. Pauli, Ida Hawkins, May Hammond, William Baughman, Mahlon Jordan, Arthur Somers, Don Thompson, George Good, Richard Bennett, Milt Nelson, Walter Boysen and Roger Stark.

Group Discusses Teenage Problems

At last Wednesday night's Community Church pot-luck dinner the interesting feature of the program was a panel discussion on home relations. Members of the Pilgrim Fellowship, who were the guests of the evening, took an active part.

They were Joyce Amdisen, Nancy Tinkham, Karen Tynes, and Roger Dunn. The discussion followed the showing of a movie film that depicted three common home problems between teenagers and their parents. Speaking on the parent side were Mrs. Lucy Hupp, Mrs. Dorothy Hall, Ralph Phelps, and Bill Mott. Both sides stressed tolerance and understanding. Mrs. Fred Twining conducted the panel.

At the next Sunday evening P. F. meeting, new members will be formally initiated into the group and will receive a membership card and pin. This will be a service of lighting the seven candles which represent the 7-fold purpose of the Pilgrim Fellowship.

The recreation period will be given over to square dancing, a new feature which all are enjoying. They have purchased some records of dances with calls which they play on their record-phonograph, a recent gift.

Theile Will Run For School Board

Fred J. Theile this week announced his candidacy for the Board of Trustees of the Orinda Union School.

The posts now held by John Stoffel and Mrs. Joan Erickson are up for election May 20. Candidates must file their declaration of intention by April 20.

John C. Greenwood of I Acacia Drive is the only other person who has filed so far.

Theile, assistant cashier of the American Trust Company, Orinda branch, lives at 214 Glorietta Boulevard and has two children, Sheila Jane, 12, and Betty Jean, 7, attending Orinda school. He has worked at the bank here since it opened February 1947 and moved into his home here in July of the same year. He is treasurer of the Glorietta Improvement Association.

Need Furniture to Complete Library

With sufficient funds donated by Community Church, painting and installing of new library shelves should be finished in the near future.

But before the library can be opened, a desk and chair for the librarian and at least one table and several chairs for people using the library are needed. Is there someone in Orinda with a desk and chair which they would donate to the new library?

The library committee announces that books are available and Orinda will have a County Library just as soon as the room and furniture are available.

So if you have a desk, tables or chairs which could be donated to this very worthy community project, please get in touch with either Rev. Fred Morrow, Orinda 7901, or Mrs. E. J. Phair, Orinda 2157.

Federalists Will Meet Monday

The group which has been meeting at the Orinda Community Church on Monday evenings for the study of next steps in world organization for peace will not meet this next week because of the meeting of the Acalanes Chapter of United World Federalists to be held Monday evening at Lafayette Community Church. All members and other interested are urged to attend that meeting.

Jr. Guild Plans Fashion Show

Santa Maria Branch of Junior Guild of Providence Hospital is making plans for a fashion show and dinner dance to be held 8 p.m., April 23 at the Diablo Country Club.

Proceeds from the affair will go to the pediatric and obstetrics clinic of Providence Hospital according to an announcement from Mrs. Louis Fekete, General chairman.

Reservations may be obtained by calling Lafayette 4684; Orinda 2170; Walnut Creek 4722.

Letters to the Editor

DEAR EDITOR:

World history is being made in California this month! A resolution was introduced in the State Legislature last week calling on the President and Congress to call a convention to amend the Constitution so this country can participate in world federation. Introduced by Thomas Maloney of San Francisco this resolution was co-sponsored by no less than 29 Assemblymen— 15 Democrats and 14 Republicans. Identical resolutions were similarly started in Utah, Connecticut and Maine. It was passed in the Assembly and is going to the State Senate.

The resolution (AJR No. 26) declares: "the effective maintenance of world peace is a proper concern and responsibility of every American citizen," and adds "War is now a threat to the very existence of our civilization because modern science has produced weapons of war which are overwhelmingly destructive and against which there is no sure defense." The resolution also presses the need "for endowing the United Nations with limited powers enabling it capable of enacting, interpreting and enforcing world law adequate to prevent war."

The list of those working for world peace thru the machinery of enforceable law and order is growing every day by leaps and bounds. Passage of this resolution by 32 states will make it mandatory upon Congress to call such a convention. My purpose in writing this letter is twofold:

1. To offer encouragement to all who really want peace. There IS a constructive path to world peace.

2. To enable citizens of this area to add their names to the list of those working for world peace, if they so desire. We do not too often get an opportunity to act, rather than just talk. Letters should go to Senator George Miller, State Capital, Sacramento, urging his vigorous support of this resolution. It will come to a vote in just a few days.

SEWALL SMITH, chairman,
Acalanes Chapter, United
World Federalists.

DEAR EDITOR:

Weimar Sanatorium, an institution maintained by our county and fourteen others, is located some twelve miles north of Auburn on Highway 40.

Its purpose is to care for, treat, and cure, victims of tuberculosis. My wife is a patient there.

One thing that makes life a little easier for these bed-ridden people is that Eddie, the Radio Man, gives musical programs over the sanatorium's broadcasting system. The patients listen in through earphones.

Eddie needs records. All kinds, and in quantity, as his programs are long and varied. Anyone wishing to donate records, old or new, to a segment of suffering humanity, may do so by addressing them to "Eddie the Radio Man," c/o Weimar Sanatorium, Weimar, Calif.

BARTLETT K. BROWN

Captain Sandford Sez:

Spring is here at last!!

Many years ago two linnets came to my place and immediately began a house-building, family-planning enterprise. After much fluttering, squabbling and chirping the nest was built. One egg appeared, then two and finally five in all.

In spite of many alarms and dangers, the young ones were successfully raised and taught to fly And now each year the linnets return in larger numbers and this year they are again on the job.

In fact, this morning I noticed the beginning of a nest in the ivy. They answer us when we talk to them and we like to feel that they trust us entirely; and we shall do our very utmost to assist them in their further house-planning, family-raising adventures.

Violent head-on collision outside my office on Sunday. It certainly was a nice day for it.

I have been led to understand that the Highway Department will commence the work of widening our highway next month and I do most sincerly hope that they will find some safe method for those of us who wish to turn left in the face of oncoming traffic.

In 1946, owing to a typographical error made by one of the local newspapers, one of my ads read like this: "Any kind of Real Estate transaction handled with skill, speed and precision, permitting no misunderstanding and no happiness. Phone Lafayette . . ." The July 13, 1946 copy of the "New Yorker" quoted the ad in toto with this comment, "Oh, we have no illusions." Nutz, sez I.

Newspaper headline from Quito, Equador: "Mob kills fifteen in radio riot." Interesting, isn't it?

I haven't really killed a radio man yet, though I have often looked forward with some joy to the time when I might perform that useful service to all mankind. When I do kill one I'll let you all know. Furthermore, I believe I'll show you his scalp before I hang it on my belt.

Everyone wants to come to California because of the climate and the wonderfully diversified opportunities for all. German prisoners of war have been known to express a desire to return to California. Now, also British soldiers and sailors and people from many other countries as well as people from many of our own States.

In order to absorb successfully this enormous potential increase in population we shall require among many other things, electricity and water. Send her down, David.

Report from Sacramento

By ASSEMBLYMAN ROBERT L. CONDON

The State Legislature is back in the trenches after its five weeks furlough, armed with the opinions and desires of the people at home.

From January 29 to March 7 — the Constitutional recess — I met and talked with hundreds of people in our county. We discussed most of the important measures that are up for consideration in Sacramento, and I was gratified with the interest shown in our legislative process.

MAILBAG:

Despite the fact that I tried to get around and talk with as many persons as possible during the last five weeks, I am sure I did not get all of your views. One way we who were elected to represent you can definitely know what you think is through your letters.

LETTERS COME IN

My mailbag recently has been crowded with letters, post cards and telegrams urging me to oppose the firearms control proposed by Assemblyman Rumford, as well as asking that I help to save the Calaveras and Butano forests from the sawmills.

The Rumford bill is similar to New York's "Sullivan Act," and would require rigid registration of firearms. My correspondents pointed out that the defects of this bill outweigh its desirable end. I strongly agree with the letter writers.

Also, all members of the Legislature have been swamped with pleas to save the Calaveras and Butano forests. What the Legislature can, and probably will do, is appropriate money to set aside these groves as State parks. The loss of such magnificent woods to commercial lumbermen, who are now starting logging operations there, is short-sighted and unjustified.

X X X X

SCHOOLS:

Literally, hundreds of bills have been introduced in the Legislature on the general subject of schools and education. Some, of course, are merely technical, changing words here and there, but not materially altering the school system.

Others, more important, provide for the establishment of new state colleges; appropriate money for the University with its many branches; establish a special school appropriation for the physically handicapped; and strengthen the functioning and administration of the existing school system.

One of the most important bills is A. B. 2120 relating to apportionment of State funds to the various school districts. Of course, the salaries paid our teachers and the adequacy of the entire school program depends to a large part on the amounts received from the State.

Basically, the amount received by a district depends on the average daily attendance in the schools in the district during the preceding fiscal year. Since our county has grown tremendously, A. B. 2120 should mean that we will have a larger share of state funds during the next fiscal year.

BILLS INTRODUCED

Two bills by Assemblyman Lowrey, of Rumsey, provide for state funds for school construction. One, A.B. 1897, establishes a state building revolving fund from which a school district, after approval by two-thirds of the voters in the district, can borrow money for school construction at a low rey measure, A.B. 1027, would appropriate money so that continued state aid could be given distressed school districts and greatly overcrowded schools.

Other measures of interest include authorizing a school district to hire adult crossing guards; to allow repairs to be ordered by a district up to $1000 without contract, instead of the present $500 limitation; and to provide a compulsory audit of all school district funds, including the accounts of student organizations.

MISCELLANY:

A resolution relating to world peace and the strengthening of the United Nations will be introduced on behalf of the United World Federalist. Considerable support is expected . . . Governor Warren's familiar health insurance plan has been introduced in the Senate by Senator Salzman, while a more comprehensive plan has been proposed by Assemblyman George Collins.

Both are controversial bills and certain to arouse bitter opposition. . . . I attended the Mental Hygiene Conference called by the Governor in Sacramento last week. The group endorsed some excellent proposals to improve the State Hospital system, to enlarge the field of preventive psychological treatment, and to expand clinics near the centers of population.

The Governor promised to appoint a committee to continue the work of the Conference, and it is hoped that the sentiments spoken others guided by good intentions, and plans made at the meeting will not become, like so many gaseous evaporation.

Building Permits Listed to March 18

A number of building permits were issued by the County Building Inspector from the first of the month through March 18, covering remodeling jobs and new building in Lafayette and Orinda.

Two Lafayette families, the George E. Olmsteads of Walnut Drive and Mr. and Mrs. F. Mossawir of Lower Happy Valley Road, are anticipating warm weather and have been granted permits for the construction of swimming pools on their property.

A restaurant alteration O.K. was given Charles Morie for Shillalah, on Mt. Diablo Boulevard, and retail business building permission was given H. Speetzen for 181 Mt. Diablo Boulevard and R. Reed and E. Thrall for Diablo Boulevard near Golden Gate Way.

Miss I. Barthe of Orchard Road, Orinda, is adding to her home, and construction is ready to go on a residence and garage on Moraga Via for William D. Morris, and one on Tara Road for K. F. Nattress.

Other Lafayette building permission granted was for a woodshed at the Glenside property of Alfred Brand, a residence and garage on Bickerstaff near Mt. View Blvd., for H. B. Robinson, and a residence-garage for R. A. Murry on Lower Happy Valley Road.

Easter Seals Bring Message of Hope

Residents of Contra Costa County are receiving their 1949 Easter seals, the sale of which goes to help the handicapped and crippled children of this county. Part of a nation-wide distribution of Easter seals for crippled children, the annual sale will extend to Easter Sunday, April 17.

The Crippled Children's Society of Contra Costa County sponsors the sale of Easter seals in this county and is one of two thousand member units of the National Society for Crippled Children and Adults.

WHAT IT DOES

Through the efforts of this local organization, children handicapped in any number of ways — sight, hearing, orthopedically — are located, given special examination and treatment, and returned to a happy and useful life. From the sale of seals comes the funds to provide these special services, orthopedic appliances, special education and vocational guidance.

The County Crippled Children's Society has been in existence for 10 years and thousands of dollars have been expended to provide hospitalization, treatment, surgery, braces, special shoes, glasses, wheel chairs, and many other things necessary to bring these youngsters a chance for the normal life they have missed.

OFFICERS NAMED

Heading the group which carries on this year-long labor is president Yates F. Hamm of Antioch. Treasurer is Mrs. Dale Hollingsworth of Alamo to whom payment should be made for the seals received through the mail.

Most of the proceeds remain in the county to assist local youngsters. Those purchasing seals are urged to use them on all letters and packages being mailed at the Easter season.

Heading the committee in charge of the Easter seal sale in Lafayette is Mrs. Karl Pape.

Children Learn While Helping Abroad

The project of Orinda School children to help children abroad is sponsored by the Orinda Union School Mother's Club. The program was originated four years ago by Mrs. Ted Freedman and her philanthropy committee, Mrs. Lance Barden of the committee reported.

Grammar school children are sending gifts abroad to children in devastated countries through donations of money and clothing to the American Friends Service Committee. The idea was originated in the hope of teaching our children the meaning of the family of the nations and the brotherhood of man and laying the foundations for leadership in the world of the future.

CLASS PROJECT

The program is presented at class level and an attempt is made to keep it on an educational basis and at the same time, no pressure is put on any child to make contributions. No donations are requested from the parents, although they are of course welcome. The children are encouraged to give their own small gifts, which represent a sacrifice of a candy bar or a package of bubble gum.

Therefore, the program cannot possibly be a hardship for any Orinda family, in spite of the many other drives which call for larger sums. The children themselves enjoy it very much and on the whole the response has been good.

INQUIRIES MADE

Recently many inquiries have come to committee members regarding Poland and China, two of the countries chosen by individual grades to help. Since these countries are now Communist dominated many people feel that our gifts will not reach the people for whom they are intended. However, the American Friends Service Committee are allowed behind the Iron Curtain and our gifts are distributed personally by their representatives.

A very good way to fight Communism with the people who are under Russian domination is by extending our friendship. Since these countries are so shut off from contact with the democracies, our gifts not only relieve suffering but will also carry with them the message of democracy and brotherhood, thereby accomplishing a mission of diplomacy, Mrs. Barden said.

The present Philanthropy Committee consists of Mesdames Chas. Blue, Sig Groenning, Henry Harris, Arthur Henry, Fred Morrow, George Mulligan, H. J. Teachout, Donald Krotz, and Lance Barden.

Real Estate Mart Holds Meeting

The Real Estate Mart breakfast meeting at Alsam's on Monday featured a round table discussion on real estate tax problems, and an entertainment program presented by the Geldermann Realtors of Danville.

Rudy Carriger was elected program chairman for the next quarter, April through June.

Monday morning will see members gathered again at Alsam's for an eight o'clock breakfast meeting.

PROUD, PROUD PARENTS

Mr. and Mrs. James Shank are the proud, and we do mean proud, parents of a bouncing baby girl born on March 12. Their older daughter, Rose Mary, is mighty thrilled with her little sister too.

Steve Solinski Gets His Cue

The arguments were flying thick and fast in the Klement household last week as Mike and Dinger could not decide which was the most vital — a ski trip or the last chapter of the serial at the Saturday afternoon show. The snow finally won out but their younger brother Bill was there with his house guest, Craig Butcher.

PERSONAL APPEARANCE

Tim Malone and Stephanie Jensen both celebrated their birthdays. When Lid Miles went to the piano to play Happy Birthday, Steve Solinski followed along. Being four years old, he figured he might as well go up on the stage, birthday or not.

Gerry Gillivan and Dawn Bottomley were the two that helped with the saluting of the flag.

Jeff Rankin is celebrating his 9th birthday this Saturday. After lunch at his house he is bringing his guests to the show. Among those invited are Chuck Coburn, Wally Marsh, Wade Wallace, Richard Norman, Dicky Schriber, George Harrison, Mike Catherall, Peter and Joe Altieri, Jack Ogden, and Bob Crall. They should enjoy the show especially as all 9-year-olds like a good western. This one is called "Ambush Trail." The new serial, "Flying Cadets," starts this Saturday and no one wants to miss a single episode.

CARMEL WEEK-END

Miss Ann Hazen, Miss Ruth Price, of Orinda, and a party of friends, spent a wonderful week-end at Carmel's La Playa Hotel recently.

DOUBLE DATE

Miss Mona Smith went dancing at the Marine Memorial Club in San Francisco last Saturday evening with Dennis Sullivan. The couple double-dated with Miss Barbara Whelan of El Cerrito and her escort, Jack Reagan.

Sure And It Was A Great Day for Timothy

It was Happy Birthday as well as Happy St. Patrick's Day for Timothy Maloney on March 17. Tim was eight years old and invited ten of his friends for games, movies and a delicious supper, served about 5 o'clock.

His guests were Mark Littlejohn, Chatton Soule, Michael and Barden Wilmar, Peter and Tommy Cooper, Jonathen Jensen, George Cory, Michael Bacon and Jimmy McCutchan.

More Male Voices Needed for Choir

The choir rehearsing Easter music for services in the Orinda Theater could use more voices, especially male voices. The singers, meeting every Thursday at 8:15 p.m. in the Community Church, consider rehearsals as enjoyable and instructive experiences where they learn the Easter anthems.

LYNN RETURNS

Tom Lynn of Woodland Road just returned from a quick business trip to Phoenix, Arizona.

AHWAHNEE GUESTS

Two couples from Orinda weekended at Ahwahnee Hotel in Yosemite recently. Enjoying the Valley were Mr. and Mrs. George Vurek and Mr. and Mrs. Kenneth Courtright. Mr. and Mrs. Vurek had to return home suddenly when they learned of the landslide on their property.

BRIDGE PARTY

Mrs. Donald F. Skilling, 48 Overhill Road, was hostess to Athene Sorority's bridge section at her home on Tuesday.

BACK AT SCHOOL

Beverly Redding, daughter of Mrs. A. B. Redding of Marston Road, returned to school last week after a brief illness.

HOME FROM RESORTS

Rodney Frazer of Underhill Road returned home after three weeks vacationing in Palm Springs and San Bernardino.

ENTERTAINS

Miss Barbara Smith of 33 Barbara Road entertained Jack Granfield at her home on Monday evening.

MRS. SNOW GOES SOUTH

Virginia Hammond Snow went to Los Anglees last week on a short business trip.

MEAN MUMPS

The mean old mumps kept Bob Bennett Jr. from going on the Scout skiing trip last week-end. It was a hard blow not to realize this long anticipated pleasure.

Civic Affairs Adds Representatives

Twenty-six representatives of various Orinda organizations comprise the roster of the Orinda Association's Civic Affairs Committee.

Newly-elected chairman of the group is Marvin Bonds, who took over from Robert Spott. Mrs. Ernest Spiegl has been re-elected secretary.

MEMBERS LISTED

Following is a list of members and groups they represent on the committee: Herman Silverman, Better Business Association; A. K. Pettingill, Dramateurs; Carl S. Miller, Oak Springs Home Association Inc.; Mrs. Ray Devin, Orinda Nursery School; and Charles L. Ward, Orinda Park Pool.

Edgar Stewart, Orinda Grammar School Trustees; Ralph Phelps, Orinda Community Church; Andrew Blalock, Lions Club; not named, Orinda Fire Department; Mrs. Ernest Spiegl, Orinda Grammar School Mothers Club; Mrs. John Stoffel, Orinda High School Mothers; Mrs. Stewart Henderson, Girl Scouts; R. H. Laney, Boy Scouts; and Mrs. Malcolm Lamb, Orinda Garden Club.

OTHER MEMBERS

Leonard T. Burke, Santa Maria Church Association; Horace Breed, Encinas De Moraga Homes; J. W. Rupley, Orinda Improvement Association; C. A. Coggins, Orindans Inc.; Raymond H. Wulfert, Moraga Glorietta Improvement Club; not named, Orinda Oaks Improvement Association; and A. W. Elkinton, Orinda Association Directors.

Mrs. V. J. Westerfield, Orinda Community Church Women's Guild; Roy Malone, Moraga Woodlands Improvement Association; M. A. Murphy, Society for the Preservation of Barbershop Singing; not named, Orinda Estates; and Marvin Bonds, member at large.

'Angels' Install Accoustical Tile

A group of Orinda "angels" worked long hours recently to outfit the Orinda Nursery School building with accoustical tile.

The thanks of this cooperative school are extended to Charles "Bud" Coburn who organized and supervised his friends in this endeavor. Those assisting him were Andy Catherall, Harry Noller, Coleman Huntley, David Coleman, Frank Brush, Henry Harris and Jack Stahle.

Having completed a most successful workshop meeting last week, the Nursery School Mothers are looking forward now to their April 6th meeting when a delightful book review will be presented for their entertainment.

Local 'Lassie' Comes Home

"Jet," a combination Briard and Doberman Pinscher owned by the George Woodward family of Orinda, made the Big City headlines last month by running away with a neighbor's Dalmatian. The Dalmatian evidently left only a "spotty" past and grieving owners, but "Jet" went him five better and left a quintette of spotted pups, at that time two weeks old.

Many nursing bottles later, the orphans are now five weeks old. Mrs. Woodward reports that their pet is still missing but the pups have now graduated to the eat-out-of-a-dish stage, and are no longer such a burden.

One puppy has been adopted by the Armstrong family whose two children will probably be of inestimable help in keeping track of a dog with a streak of wanderlust in his blood. The other four pups are at present making up in some measure for the loss of "Jet" who had been the pet and playmate of the Woodward twin youngsters.

New Cub Pack May Be Formed

The possibility of forming a new Cub Scout Pack because of increased interest in Scouting was discussed this week by committee members of Cub Scout Pack 32.

A committee composed of Don Krotz, Nat Dodge, and Dan Peacock met at the Peacock home to discuss the growth of Pack 32 and recommend a plan for dividing the group into two Packs.

Baseball games were scheduled for the Pack and Nat Dodge, baseball coach, announced that the first practice game will be at 2 p.m., Saturday at Orinda School.

Fathers are urged to help organize baseball teams and a possible Fathers versus Cubs ball game is planned. First league game is scheduled for mid-April according to Joe Conley, district chairman for Cub Scouts.

A new Den, Number 10, was formed with Mrs. David Wallace as Den Mother. Three members of the new Den were present.

The recent Cub Revue netted the organization almost $200 the committee announced.

The following attended the recent meeting:: Mesdames John Hall, Dan Lucas, Al Meyer, David Wallace, Allen Shapiro, Burck Fitzpatrick, Palmer Hoecker, Harry Noller; Messrs. and Mesdames Joe Conley, John Birchfield, Austin Little; Messrs. Don Krotz, Nat Dodge and Bob Clough.

Funeral Services Held For Minnie Zeising

Funeral services were held Monday at Truman's, Oakland, for Minnie Zeising, mother of Meta L. Sohler and grandmother of Dorothy Sohler of Lafayette. Mrs. Zeising died in Oakland on Saturday.

Girl Scouts Give Colorful Pageant

Approximately 1200 people packed the auditorium at Acalanes Friday night, March 11, to see various tropos of the Diablo Valley Area Girl Scout Council present their Third International Pageant.

The program started with early American Indians and continued through the folk lore of Stephen Foster, American Square Dances, "Jenny Crack Corn," "Cotton-eyed Joe," and finally singing cowboys whose favorite song was "Far-a-way Places." The pageant scenery was then changed to other countries of the world.

One troop was beautifully costumed as dolls of various countries, while others represented Norway, Scotland, Switzerland, and the Hawaiian Islands. Girls in gay dresses and boots represented Poland, Hungary, China and Ireland. Another troop presented a short skit on Sweden and the girls danced "Gustav Skohl."

Miss Jeanne Shelley, a member of Senior Troop 22, as the Master of Ceremonies, gave a brief history of Girl Scouting in this country, and of Internationl Scouting.

SEAFARERS

Seafarers will meet Saturday evening the 26th (instead of Friday) at six o'clock for a pot-luck dinner and program at the home of Fred and Anne Elkinton on Honey Hill Road.

Hill 'N Dale Holds Club Dinner Dance

Hill 'N Dale members will hold a formal dinner-dance at Orinda Country Club Friday evening. The executive committee planning the dance includes Messrs. and Mesdames Frank Dunn, Ray Tolles, Mrs. Dana Hamlin heads the reservations committee.

A gay round of cocktail parties is scheduled to precede the Club dance. Guests will drop in for cocktails at the homes of Messrs. and Mesdames George Prifold, Robert Goodale, W. J. Field, Glen Logan, Nat Dodge, Jack Jansse, Thomas Telfer, Howard Inman, Duncan Knudsen, Oliver Meek, John Stoffel and George Horton.

Clayton Honored For War Service

Colonel William A Clayton of Moraga Highway, was one of 34 Americans to be honored by being awarded the Honorary Order of the British Empire on behalf of King George VI in recognition of the Americans' "distinguished service renderd to the people and government of New Zealand during World War II."

Sir Carl Berendsend, New Zealand ambassador to the United States made the presentations at formal exercises held recently at Washington, D. C.

Although unable to attend the ceremony to receive the insignia. Colonel Clayton has been notified that he is now on Honorary Commander, Military Division, of the British Empire.

Colonel Clayton served for a year and a half as a member of the transportation corps. He recently received appointment to San Francisco Port of Embarkation reserve unit as commanding officer of the Sixth Major Port. Thomas Telfer, Dana Hamlin, Ritchie Smith and Oliver Meek.

Mrs. Frank Dunn is chairman of the planning committee and

Barbershoppers Have New Home

The Orinda Barbershoppers now have a new home. They are located in Casa Orinda.

Early in March, over sixty male voices gave forth in ye ol' barbershop harmony. Members of the San Francisco and Berkeley Chapters of S.P.E.B.S.Q.S.A. visited the Orinda group at the Casa Orinda.

With barbershop quartette singing, anyone, whether he is a tenor, lead, bari, or bass, can drop into any chapter anywhere and join right in with the singing, because all of the five hundred and fifteen chapters in the United States and Canada learn their songs from the same Barbershop arrangements.

If you attended the "Harmony Night" in December, and liked it, you won't want to miss the songfest and Barbershop "Parade" at Acalanes High School in June. The Orinda group is planning the night and inviting quartettes from all over the state.

FOURTH: The office of the Recorder referred to hereinabove is the office of the Recorder of the County of Contra Costa, State of California, and Official Records and file numbers hereinabove referred to are Official Records and file numbers of said Recorder. The letters M. H. and F. I. herein used refer to and mean Manhole and Flushing Inlet respectively.

In the foregoing descriptions, the width of all easements described by reference to a center line is measured at right angles.

In the foregoing descriptions, wherever right of way, easement, street or other public way is described wherein work is to be done, it is the intention that said work shall also be extended so as to connect the same with the sewer work to be constructed nearest to said right of way, easement, street or other public way, and at the point in said proposed work where a manhole, flushing inlet or other connection, is shown on said plans therefor, unless otherwise shown thereon.

FIFTH: Said work shall include the refilling and resurfacing of the trench in which said sewer and appurtenances are constructed.

SECTION 2: All of said improvement and work shall be done of the sizes, dimensions, and materials and in the positions and locations as shown upon, and all in accordance with the Plans and Specifications therefor heretofore adopted by said District Board and now on file with the Secretary of said Board, which Plans and Specifications are hereby referred to and made a part hereof by reference.

SECTION 3: That in the opinion of said Board, said work is of more than local or ordinary public benefit, and said Board hereby orders that the cost and expenses of said work and improvement shall be chargeable and charged upon a district, which district is hereby declared to be the district benefited by said work and improvement and which is to be assessed to pay the cost and expenses thereof.

The exterior boundaries of said assessment district and the extent of the territory included therein are shown upon the map of said district approved and adopted by said Board on the 3rd day of March, 1949, and now on file in the office of the Secretary of said Board, to which map reference is hereby made for a particular description of said boundaries and the extent of said territory included therein to be so assessed; saving and excepting therefrom the area of all public streets and other public ways included therein.

SECTION 4: That the proceedings for said work and improvement shall be had and taken under and in accordance with Division 7 of the Streets and Highways Code of the State of California. ("Improvement Act of 1911").

NOTICE IS HEREBY GIVEN that the Health Officer of said County of Contra Costa has recommended in writing to said Board that said proceedings for said work be instituted as a necessary health measure and said Board heretofore ordered said recommendation spread upon the Minutes of said Board and by Resolution adopted by the affirmative vote of four-fifths of the members of said Board found and determined that such necessity exists.

SECTION 5: That serial bonds shall be issued pursuant to Part 5 of Division 7 of said Streets and Highways Code (Improvement Act of 1911) to represent the unpaid assessments of Twenty-five Dollars ($25.00) or over for the cost of said work, said bonds to bear interest at the rate of SIX PER CENT (6%) per annum, to extend for a period of nine (9) years from the second day of January next succeeding the next October 15th following their date, and to be payable in annual installments, the last installment thereof to mature nine (9) years from the second day of January next succeeding the next 15th day of October following their date, said bonds and the interest thereon to be payable as provided in said Code.

SECTION 6: That Thursday, the 7th day of April, 1949, at the hour of 8:00 o'clock, p.m., of said day, and the meeting place of said Board, 1822 Mt. Diablo Boulevard, City of Walnut Creek, in the County of Contra Costa, State of California, be and the same are hereby fixed as the time and place, when and where any and all persons having any objection to the proposed work and improvement or to the extent of the district to be assessed, or both, may appear before said Board and show cause why said proposed work should not be carried out in accordance with this Resolution of Intention.

SECTION 7: That the Engineer of said District shall cause to be conspicuously posted along the line of said work and improvement, in the manner and form required by law, notices of the passage of this Resolution.

SECTION 8: That the Secretary of said Board shall certify to the passage of this Resolution and shall cause the same to be published twice, as required by law, in the Orinda Sun, a newspaper published and circulated within said District and hereby designated for that purpose by said Board.

SECTION 9: Said District Board does hereby direct its Secretary to mail notices of the adoption of this Resolution of Intention to all persons owning real property proposed to be assessed for the work herein described, whose names and addresses appeared on the last equalized assessment roll of the County of Contra Costa or as known to the Secretary, the contents of said notices to be as required by law.

PASSED AND ADOPTED by the DISTRICT BOARD of CENTRAL CONTRA COSTA SANITARY DISTRICT of CONTRA COSTA COUNTY, State of California, this 3rd day of March, 1949, by the following called vote:

AYES: Members Johnson, Smitten, Toland, Weill and Wadsworth.

Churches to Unite In Radio Appeal

Religious bodies of the United States unite in "One Great Hour" when all major networks broadcast a program from 7 to 8 p.m. Saturday on behalf of rebuilding the life and faith of the shattered peoples of Europe and Asia.

President Truman will speak and a parade of great personalities of music, stage, screen, and public life will be on the broadcast which will be received here according to announcements. Under the direction of Robert Sherwood, noted playwright, dramatic presentations are to be given illustrating relief and reconstruction work being done through the various churches.

It is hoped by those who plan the program that on Sunday and the days following a total national goal of ten million dollars will be achieved in voluntary contributions from radio listeners.

The role of local churches in this plan is that of receiving and forwarding checks received as a result of the "One Great Hour" appeal. Contributors to the benevolence budgets of any church may take this way of pre-paying pledges already made, or of supplementing their pledges. The Orinda Community Church will forward such gifts and send acknowledgements to contributors, Rev. Fred Morrow, the minister, said yesterday.

PLENTY OF OUTLETS ★ BIG ENOUGH WIRE ★ PLENTY OF SWITCHES ★ MORE CIRCUITS ★ PLENTY OF OUTLETS ★ BIG ENOUGH WIRE ★ PLENTY OF SWITCHES ★ MORE CIRCUITS ★ PLENTY OF OUTLETS ★ BIG ENOUGH WIRE

When you Plan Right for wiring and light—

you CHANGE *"Wish we had"* TO *"Glad we did!"*

★ WISH your lights would stop blinking when the furnace motor kicks on?

★ WISH your cords for lamps and clocks and radios would not be such a tangled nuisance?

★ WISH your coffee would perk faster, waffle iron get going quicker and the electric heater make haste with the heat?

There is just one sure way to avoid "dippy" lights, octopus outlets, tanglefoot cords and slow motion appliances when you build and remodel your home. You must be strong minded and demand that complete and modern wiring is installed in every room of your house. Then you will always have a place to plug-in the new lamps and appliances you buy and electricity will come-a-running at full power. Why wish? Wire ahead for electriliving.

For ELECTRIC WIRING that is Certified as the best—see that you get a certificate—signed and sealed that says your job is "Certified Adequate Wiring".

Dons Second In Three-way Battle

In a three-way swim meet with Cal Frosh and Lincoln High School of San Francisco last Saturday at the U.C. pool, Acalanes' Dons splashed through to a second place.

Marshall Freeman set a new school record in the 100-yard backstroke with a time of 1 minute, 11.9 seconds while local mermen gathered 24 points, Cal 55 and Lincoln 19.

Don tankmen meet Hayward here in the next meet on April 14.

Don Trackmen Set for Diablo

Concord's Mt. Diablo high track squad meets the Acalanes Dons on the Don cinder path at 3 p.m. Friday.

Last Friday the Dons defeated the Pittsburg Pirates 77 to 36 while the B's lost to Pittsburg 62 to 42. A new B record was set by Alan Clark in the pole vault with a height of 10 feet, 4½ inches.

Students to Give Play Next Week

Seniors at Acalanes will present a play by Cornelia Otis Skinner and Emily Kimbrough next Friday, April 1, in the Gym. It is "Our Hearts Were Young and Gay."

Tickets will sell for 65c with a student body card and 75c, general admission.

Scouts Plan to Sponsor Free Wednesday Movies

The showing of a travelogue movie on Hawaii at the Scout Cabin, Wednesday afternoon, was an activity sponsored by Scout troop 204.

Plans have been made to show Wednesday movies as frequently as possible. The show is free of charge, open to all grammar school and high school students as well as any adults who may wish to attend, and interesting films have been promised. The movies begin at 3:45.

CELEBRATE BIRTHDAY

Mr. and Mrs. Eugene Gilligan of Sun Valley and son Eugene celebrated Mr. Gilligan's birthday, which occurs the first day of Spring, March 21, when they spent Saturday in Oakland visiting places of interest. In the evening they went to the home of Mrs. Gilligan's sister, Mrs. Jennie Cincera in El Cerrito where a group of friends gathered and played cards. A large birthday cake was served honoring Mr. Gilligan.

Acalanes Tallies Two and Two

Having won two games and lost two so far this season, the Acalanes diamond men were scheduled to meet the Diablo Red Devils in the second league game of the season Thursday afternoon.

Dick Green pitched a no-hit, no-run game against Pittsburg Pirates to defeat them 2 to 0 in the first league game. Dick walked eight and struck out 11 others. Meanwhile, the Dons tallied only two hits, a double by Lynn Amason and a triple by Art Johnson.

The Dons' score sheet reads up to now: Lost to Cal Frosh, 10 to 5, and to San Leandro 10 to 4 and wins over Fremont, 3 to 0, and Pittsburg, 2 to 0.

Tuesday at 3:30 p.m. the Dons meet San Leandro again, this time on the Don field, then Alhambra on the Bulldogs' field, the game being a night game starting at 8:30.

Baseball Schedule for Season

The following schedule shows the rocky road ahead for the Dons diamond men: All games start at 3:30 p.m., except the Alhambra game, which is a night game starting at 8:00 p.m. Games marked with an asterisk are Contra Costa County Athletic League games; the others, practice games.

FROM THE SIDELINES

By Coach Erwin Mattson

I spent a recent week end watching the prep basketball tournament under way at the University of California gym and in the course of three days saw ten games between the champions of eight different leagues.

Pittsburg was the Contra Costa entry and they did themselves proud while downing Eureka twice and giving Lowell a tough battle all the way before going down by a four point margin to Lowell High who captured third place awards in the form of bronze basketballs.

Neighboring Berkeley High captured top honors with McClymonds High ending up in the number two spot.

PLAY SUCCESSFUL

The play proved to be a success in that it provided a grand display of basketball which was heartily received by a good crowd despite the "damp weather." It also gave the opportunity for clubs from Eureka to Pacific Grove the chance to end the season with an experience the boys will never forget.

Some schools such as Napa in the North Bay League and Stockton in the San Joaquin Valley turned down the opportunity to take part.

A number of things must be taken into consideration before deciding whether or not a school should take part. The number of games played, the physical and mental condition of the squad all should be taken into consideration.

SOMETHING TO REMEMBER

For those who did take part it is something they will always remember and the fact that they took part is the important thing.

All of which reminds me of the epic lines — "for when the Great Scorer comes to mark down your name he marks not whether you won or lost but how you played the game."

John Henry Johnson of Pittsburg proved to be a sensation with his floor play and uncanny shooting ability and was placed at center on the all tournament team. All in all Contra Costa's representative did O.K. and with not too much a stretch of the imagination they could have ended in the top position.

It gave warning that the Contra Costa league is fast approaching a par with any other section and a few years additional growth will place them in the top bracket as far as competition goes.

One thing of interest was to note the type of offense and defense used by the various schools. One college coach remarked that he wished all clubs could use man to man defensive tactics.

In general zone defense predominated the play and for good reasons. The main reason was that coaches figured it would save their teams energy to use the zone.

Tournament play requires a coach to use his men so as to save their strength as much as possible. Another factor was that rival coaches knew little of opponents ability as individuals.

Good man to man defensive tactics require that the best defensive player be matched with the corresponding but offensive opponent.

A third reason for the use of the zone is that it prevents close in shots and also enables the other four to make up for a man who is weak defensively.

Man to man tactics are as strong as the weakest link and that can be suicide in a tournament where all those who enter are champs in their own league and in all probability have a pretty good all around defensive club.

Colleges have a far greater wealth of material and certainly with greater experience. As a result colleges use man to man 90% of the time.

Clever and fast ball handling will beat a zone but how many high school fives have the cleverness and necessary ball handling?

650 Cal Alumni Hear Pappy, Grads

Making a record as the largest alumni gathering of its type in the world, 650 members of the Diablo area California Alumni Association met at the Diablo Country Club Sunday evening for a get-together which started with a buffet supper and included a rousing program of entertainment.

Coach Lynn "Pappy" Waldorf was commentator for the movie showing the New Year's Day Rose Bowl game between Cal and Northwestern and spoke of the prospects for the coming gridiron season.

Stanley McCaffrey, executive manager of the Alumni Association, showed movies of the two Cal Alumni summer camps, Lair of the Golden Bear at Shasta and Lair of the Golden Bear at Pinecrest, and explained the summer program.

Bill Hale, Association president was among those who spoke a few words, as did several athlete notables, among them: Wes Fry, varsity backfield coach, Bob Tessier, line coach, Niles Hudson, of Orinda, rugby coach, Brick Muller, famous All - American football player and Percy Hall of Lafayette, class of '98 and first famous U. C. football player.

Toastmaster Bob O'Dell kept things moving at a lively clip as did former yell leader Cloyd Dakson, who lead songs and yells at intervals, during the evening. Local merchants donated various gifts which were given out during the program.

Credit goes to Francis Steckmest of Dewing Avenue, program chairman, for the reunion which more than lived up to all expectations.

Observe all traffic signs and live much longer.

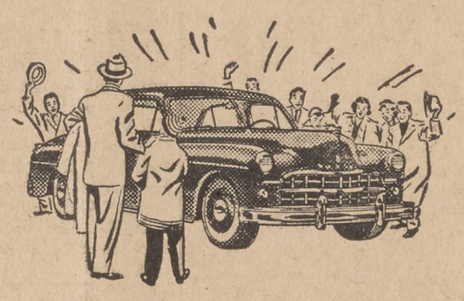
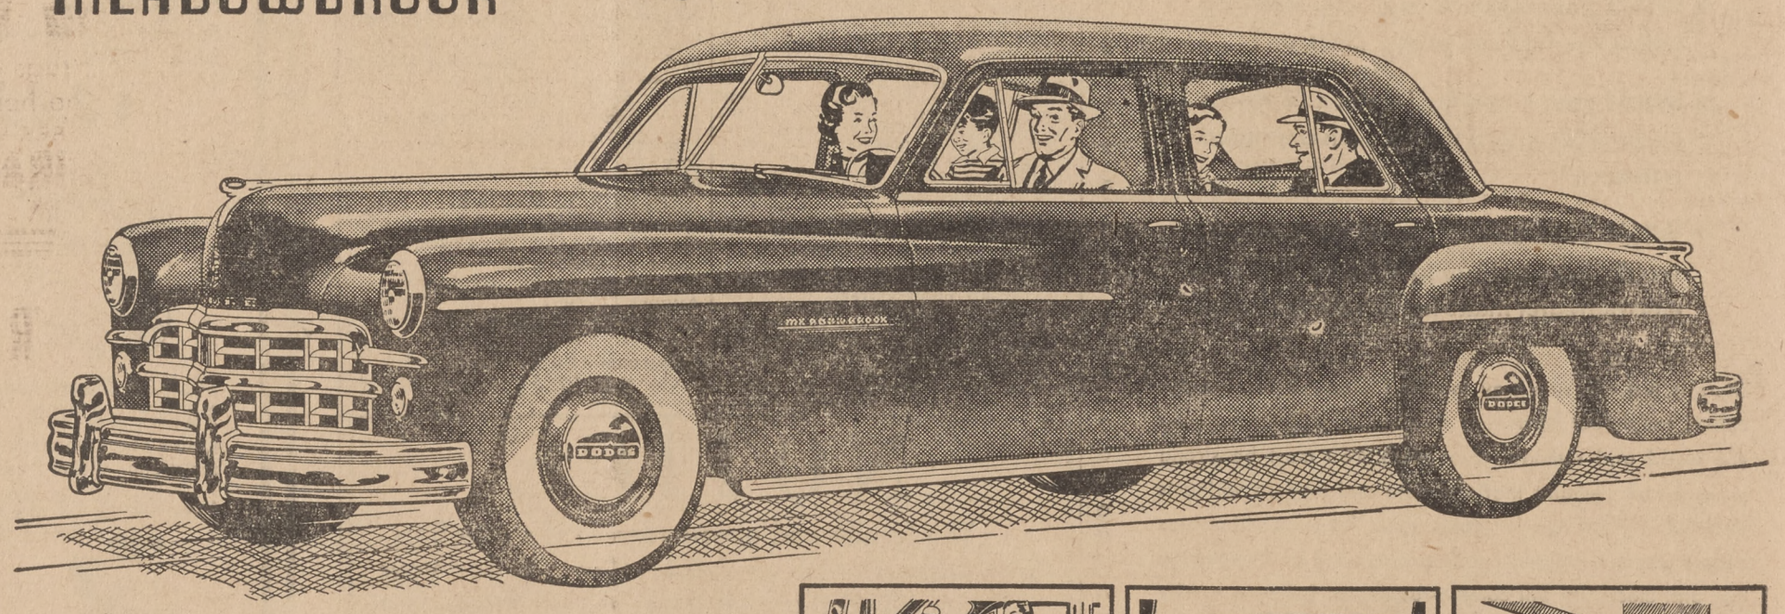
HERE'S THE CAR THAT DARES TO BE DIFFERENT...INSIDE AND OUT!

The New DODGE MEADOWBROOK



LONGER on the inside . . . SHORTER outside!
WIDER on the inside . . . NARROWER outside!
HIGHER on the inside . . . LOWER outside!



SURE, you want roominess—that lets you ride relaxed and comfortable mile after mile! That's why Dodge made this new car *bigger three ways* inside . . . longer, wider, higher!

But many people don't want a big, bulky car *outside*. So Dodge made this new car *shorter* outside, *narrower* outside, *lower* outside.

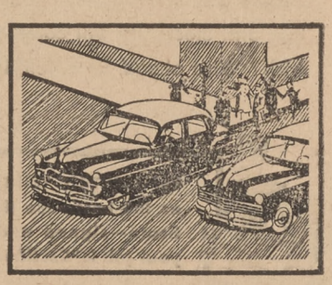
Here's an engineering miracle that gives you new ease of handling in traffic, new ease of parking and garaging. And new beauty, too—because Dodge sleek lines stem from true functional design.

Powering this exciting new Dodge is the famous Dodge "Get-Away" engine—high-compression engineered to deliver extra power with gasoline economy—plus the proved smoothness of gyrol Fluid Drive.

See how much *more* Dodge gives for your new car dollar today!

LOOK! "KNEE-LEVEL" SEATS in front and back give the same natural distribution of body weight that makes the living room chair so comfortable.

LOOK! DOORS OPEN WIDE—so easy to step right in or out without wrinkling or mussing clothes. Arm rests are on the doors . . . out of the way.



LOOK! "GET-AWAY" ENGINE—flashing pickup . . . faster acceleration. Higher-compression engine squeezes extra miles from each tankful of gas.

Friends Attend Channell Wedding

Several hundred friends will attend a formal wedding ceremony at Claremont Country Club on June 18 when William Richard Channell, son of Dr. and Mrs. William Channell of Orchard Road, Orinda, claims Miss Jatty Christ as his bride.

Mrs. Donald Kerr of Berkeley will act as her sister's matron of honor and Mrs. John Collins (Sue) sister of the benedict, Mrs. George Hall, Mrs. Fred Ackerman, Jr., Miss Pat Dana and Miss Marilyn Shutes will be bridal attendants.

Patty is the daughter of Mr. and Mrs. R. J. Christ of Scenic Avenue.

Recent Visitors Here from Guam

Recent arrivals from Guam are Commander and Mrs. E. L. Woolsey. Commander Woolsey has been stationed at the Naval and Memorial Hospitals on Guam for the last two years. They have been the guests of the Commander's mother, Mrs. Zoe L. Woolsey, 20 Via Floreada.

This last week Commander Woolsey and Mrs. Zoe Woolsey were called south to Visalia by the death of Mrs. Woolsey's mother, Mrs. E. O. Larkins, widow of the late Senator E. O. Larkins, eminent jurist of the San Joaquin Valley.

Mrs. Frank Wright Entertains Bridge Group

The morning group of Orinda Mothers Bridge Club met March 18 at the home of Mrs. Frank Wright. Guests were the Mesdames K. S. Simmon, Jack Moylan, Clinton Easterbrook, R. L. Bigler, R. N. Gilwee, E. L. Bargones, A. A. Normand, Ray Devin, A. W. Reid, D. C. Peacock, and H. H. Keesling. The morning group will meet next on April 8th at the home of Mrs. D. C. Peacock.

FRESNO TRIP

Mr. and Mrs. Stanley Allen travelled on business to Fresno on Tuesday and will be home Saturday.

Guests View New Elkinton Home

Fred and Anne Elkinton's new home on Honey Hill Road was visited Sunday afternoon from 2:30 to 5:00 by a group of their friends numbering almost 80 from the Berkeley Friends Memorial Church.

Guests wandered in and out of the house to view the many modern devices for convenience, the artistic use of colors and house plants and the orchard where almonds and apricots were in bloom, and vegetables areas, and the lawns and flower gardens.

A solid bed of blooming hyacinths, in the patio and huge daffodils in borders. amid choice camellias and other blossoming shrubs drew forth rapturous exclamations.

Later in the afternoon the guests all gathered in the living room for a program of three readings by Mrs. Nora Dennis, all on "the home." Sam Patterson then, speaking for the group, presented their hosts 14 rose bushes, all the lovely Peace and Talisman.

The minister, Mr. Howard Cope, spoke of how the Elkintons had always maintained a home which was an example of fine cooperation and love and understanding among themselves and their children and of generous hospitality to their friends. He closed with a prayer for continued blessings upon this home. Refreshments of cookies and punch closed the very pleasant afternoon.

Chester Browns Enjoy Trip to Calistoga

The Chester Browns drove last week, Thursday, with a friend to her Calistoga ranch to spend the week-end.

The skies were leaden but all through the Napa Valley orchards and vineyards were golden with mustard making a gleaming carpet through the dark rows of pruned fruit trees and stark unleafed grape trunks. Is mustard a pest? Oh no, it will all be plowed under later and to some extent enrich the soil.

NEWCOMERS

Mr. and Mrs. Bernard J. Lilly are newcomers who live at 23 Claremont Drive.

ALL AROUND ORINDA

With THE ROUNDER

PLAYING SAM SPADE:

Or the Sleepy Hollow Dog Caper;

As you read in the SUN last week, an investigation conducted by the Sheriff's office solved the mystery of the murdered dogs. Said investigation either was not held, or the results at least not released, until AFTER we had submitted a similar account to the SUN to be included in All Around Orinda.

The entire investigation, at least from the reports, apparently evolved around the statements of the persons who did the shooting — and the deductions arrived at by Deputy Sheriff Zeliff who did the snooping.

The sheriff was led to a spot where the shooting supposedly took place, saw five empty cartridges laying on the ground — Voila! only five shots had been fired just as the ranchhand had said.. SO SIMPLE.

And yet several of the people living in the vicinity counted 13 shots. Unfortunately they couldn't point to 13 empty cartridges.

And then that rumor that dum-dum bullets had been used. No proof, of course. No one could find part of a dum-dum once it hit.

But perhaps the sheriff can explain how a steel jacketed 30-'06 could rip a dog's body to ribbons — as the 30-'06 bullets fired by the ranchhand did.

And how convenient to solve two mysteries at once. Sheriff Zeliff believes that most of the area's "disappearing dogs" have been killed for similar reasons. End of the "Sleepy Hollow Dog Caper." Coming next week — "How naive can an Orindan Be?"

THE BY LINE

Been racking our brain for several weeks now trying to arrive at a name by which we could underwrite this column. Have heard hundreds of suggestion — most of them censorable. And have dreamed up a few ourselves. Finally lit on the one you see at the head of the column. "All Around Orinda with the Rounder."

See by the SUN that our local thespians received a belated okay from the Lafayette Legion Hall and they toss their annual Beaux Arts Ball around May 14.

Mike Murphy, incidentally, spent most of last week scouring the countryside for the two missing characters of the Dramateurs play, now in rehearsal, and finally made it again. By getting one actor — and taking one part in the play himself.

Personally we'd much rather see the play than be in it. We're a bit puzzled as to the use those chamber pots and pigs will be put to. And who uses 'em. Bob Anthonisen — or Keene Pettengill? Or the two recently acquired characters?

LATEST DOPE

Report on the "Winchester House" competition: Jack Snow has been unable apparently to find anything new to do to his place. So he's relocated his wishing well. Proceeds of said wishing well, incidentally, go to your son and daughter via the Boy and Girl Scouts. Last year around two hundred dollars was divided between the two. And collected in the well in only four months.

And as for Hughie Phair's progress — seems he ordered preliminary plans for the exterior remodel of his building in 1948, got them in 1949, doesnt' intend to actually remodel until 1950. Long range planning, no doubt.

QUANDRY

Since we all know there's no gambling in these parts and since those three-holer slots are merely for amusement, what would you do if you were a deputy sheriff, and for amusement dropped a nickel into one of them and hit the Super-Jackpot? You'd cash in? Right. So did he at the Crossroads for nine bucks.

PLAYING THE PONIES

And speaking of the purity of our county — it's freedom from gambling — and the Halo of "it can't happen here" adorning some of our officials' official utterances — we are reminded that Golden Gate Fields opened last St. Patrick's Day. And ordinarily we wouldn't give a hoot of it did.

But being very human — and having a hot tip in one of the races got us into the mood of maybe plunging a couple of dollars on the animal to show.

We mentioned our hot tip to a pal — and within five minutes had nine hot tips all in the same eight horse race. A bit of sleuthing revealed the fact that the ninth tip was really the name of the guy who had given us the fifth hot tip — but by then it was nearly post time for the race, and we were miles away from Albany.

Nothing daunted our friend whisked us to a lovely little place about three quarters of a mile from the Community Church where we could place our wager. Said it really wasn't gambling because betting the horses was merely to improve the breed . . . or did he say greed?

NEW ADDITION

If Lynn Wright's station wagon seems to be riding a foot or so closer to the pavement the last few days it's because of a recent newcomer in his life. Acquired a two year old St. Bernard weighing in at about 150 — without a cask around its neck.

BUILDING A NEW HOME?

Does it have plate glass windows? Better insure 'em but fast. Hear some playful adolescents are blasting holes through them with twenty-twos. Understand T. D. Courtright had to replace some of his in a new home way up El Toyonal.

STRICTLY PERSONAL

Gene Trago flying to L. A. last week for a nose operation.

Mr. and Mrs. Harry Canty, she of the Orinda School, out last week celebrating their anniversary. Married on March 15th. How can a guy have enough left on March 15th to even buy a license — let alone get married.

ORINDANS ARE TALKING ABOUT:

That classified ad in the SUN last week "Child's bed (not a crib) complete with mattress, wardrobe closet, large desk and 1937 Packard "6" sedan." That "(not a crib)" is undoubtedly the understatement of the year.

Mrs. Bion Atkinson working at the Berkeley Library — and finding out in the process of tracing her descendants that she is related to George Washington's wife, Betsy. Maybe he didn't sleep here — but some of his in-laws have.

Ted Almquist, local building contractor, has joined the "package deal" in the Bridwell Building. And Lynn Wright is planning to do the same.

BORING SHOW

Saw the Home Show in Oakland the other day. Spotted Al Meggs, heating expert, talking shop with Henry Andrews, home merchant. And Don Bell of the Park Pool roaming through the building stuffing a brief case with literature on building materials. Wonder if they were as bored with the whole thing as we were?

We'd personally much rather make a tour of the Orinda Hardware. Much more interesting. Or the Fitch's appliance center in the Village.

WELCOME HOME

Sol Wiseman and Jay Bedford greeting their wives who flew in last Sunday eve from a short Hawaiian vacation. Greeted the mainland with a few quickies at the X-roads and rushed out — not to go home and get acquainted mind you. Seems Jay had a program of magic to put on somewhere.

OVERHEARD at THE X-ROADS

Wayne Littlejohn telling Bill Worden that no place on the strip could even approach his wife's cooking. Now there is an idea. Get the little lady firmly imbued with the idea that her cooking is the best there is — that you can't possibly eat any other — and presto! you needn't take her out to dinner once a week.

Understand that Rocky Salvage was so impressed with the beauty — or something — of New Mexico on that recent trip that he is going to move there soon.

A NEW SIGN

We heartily approve of that new sign that Zoe Woolsey has added to her collection — a Red Cross sticker.

Hear that because of repeated instances of individuals having their homes built half way in the street, partly on some one else's property, too near the side-lines, etc., all new home plans submitted to Hacienda Homes for approval must contain a survey map prepared by a licensed land surveyor. Good idea. The Orinda roads are crooked enough already without having to detour around someone's bay-window projecting into the right of way.

Part of Dave Puddy's family is home and recovering from an operation performed by Doc Boevers. Their new pup reached the age when all good Dobermans have their ears clipped.

NEW THEORY

Norm Ketsdever has a new theory. When you have an extra afternoon to spare you might ask him about it. Catch him first — and the rest of Orinda can wait for its meat while you get an earful. But one thing about Norman — no matter how long he talks or about what, you never hear any gossip. Not true of some of the past meat merchants we've had dealings with. And who are we to talk?

Rummage Sale

The Altar Society of Santa Maria Church is busy planning a rummage sale to be held in Berkeley on the 27th, 28th and 29th of April. If you contact any of the following persons, arrangements will be made to call for your donations. Mrs. A. Scollard, Orinda 8159; Mrs. George Klement, Orinda 2815; and Mrs. J. Ortland, Orinda 2341.

FORMER ORINDANS

Mr. and Mrs. E. J. Fowler will have as week-end guests Mr. and Mrs. Bud Keeney of Los Angeles. Mr. and Mrs. Keeney are former Orinda residents and the neighbors are all looking forward to seeing them again.

Third Sermon in Series to be Given

"Is Prayer Autosuggestion?" is the topic to be discussed Sunday morning in the weekly worship service of Orinda Community Church by Rev. Fred R. Morrow. This is the third in a lenten series of sermons on prayer. At the service, which opens at 11 o'clock, there will be music by the choir, with Mrs. Baker at the console of the memorial organ.

Boys and girls will meet at 9:30 with the staff of the Sunday school in classes for all age groups up to and including the 8th grade. High school young people, under Mr. and Mrs. Fred Twining, will meet for worship, discussion and folk-dancing at 7 p.m.

Mary McFarland Has Eighth Birthday Party

Mary McFarland celebrated her eighth birthday last Saturday at the home of her parents. After ice cream and birthday cake, the children enjoyed some Mickey Mouse movies.

Guests were Gail Dinwiddie, Nancy Mott, Roxine Huntley, Sandy Miller, Heidi von Guenthner, Sheri Elder, Pam Phillips, Madelyn Sears, Sandra Miller, Karen Peterson, Ann and Dodie Reilly, Linny Ballard, Donna Lane, Kathy Wall and Bonnie Ott.

TRAVELS EAST

Jack Cooper leaves today by train for a two weeks trip to the East.

CHRISTIAN SCIENCE CHURCH

"Whatsoever things are true, whatsoever things are honest, whatsoever things are just, whatsoever things are pure, whatsoever things are lovely, whatsoever things are of good report; if there be any virtue, and if there be any praise, think on these things" (Philippians 4:8). This is the Golden Text of the Christian Science Lesson-Sermon for Sunday, March 27, on the subject "Reality."

The following citations are included in the sermon:

The Bible: "Blessed are they which do hunger and thirst after righteousness: for they shall be filled" (Matthew 5:6).

"Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Simply asking that we may love God will never make us love Him; but the longing to be better and holier, expressed in daily watchfulness and in striving to assimilate more of the divine character, will mould and fashion us anew, until we awake in His likeness" (p. 4).
